

Service Academy Nomination Form

Thank you for your interest in the U.S. Service Academies. As your First District Representative in the U.S. House of Representatives, each year I have the privilege of nominating a limited number of people to four of the five service academies. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation. Best wishes to you as you pursue your goal of attending one of the U.S. Service Academies and serving our country.

To request a Military Academy Nomination from my office, please complete this document and mail it to my Tulsa District office (postmarked no later than October 20th) or you may bring to the Tulsa District office during regular working hours on or before the 20th of October. When you mail or bring in your nomination application, all-supporting documents (including letter(s) of recommendation, transcripts, copies of test scores, etc.) must be in the single envelope you provide. It is the candidate's responsibility to ensure their application packet is complete at the time of its submission. Failure to follow the application process could disqualify you from consideration.

We will begin accepting nominations on August 1st (of the year you are applying). If you have any questions, please email Dan Snow at Dan.Snow@mail.house.gov.
